John Wayne Largo, M.

Johnlargo@gmail.com | +639105380358
Philippines, Talisay City

A motivated Information Technology student specializing in full-stack development (Reactjs, Java Spring Boot, Firebase). Proven ability to build practical, user-friendly solutions and committed to continuous learning and collaborative team success.

EDUCATION

Cebu Institute of Technology – University
N, Bacalso Avenue, Cebu City, Philippines
Bachelor of Science in Information Technology
Expected Graduation: May 2026

TECHNICAL SKILLS

- **Languages:** Java, Python, Php, C, Javascript, HTML, CSS, SQL
- **Frameworks/Libraries:** Reactjs, Java Spring Boot, Android Studio (XML)
- **Databases/Cloud:** Firebase, MySQL
- **Tools & Platforms:** AWS Architecture, AWS Cloud foundations, ServiceNow PDI, Git, GitHub

KEY PROJECTS

1. TimEd : Smart Time-In/Time-Out System (Capstone) *Reactjs, Java Spring Boot, Firebase, Kotlin*
- Developed the **web application interface** using **Reactjs** and managed secure data exchange via a **Java Spring Boot API**
- **Integrated Firebase** for a scalable backend, ensuring reliable and fast data synchronization for time-in/time-out records.
- Contributed to a cross-platform solution which included a native **Android mobile component** developed using **Kotlin** and **XML** for employee accessibility.

2. **Hackathon Finalist: Garbage Management System** *ServiceNow PDI, Open Street View, AI Integration*
- Achieved **Finalist** status (May 2025) for developing a civic feedback system built on the **ServiceNow Personal Developer Instance (PDI)** platform.
- Integrated **Open Street View mapping API** functionality to allow users to pin exact coordinates of waste disposal issues providing precise, real-time feedback to **LGUs**
- Incorporated an **AI Chatbot** within the system to provide instant, helpful tips and guidance on proper waste disposal practices, enhancing community engagement.

AWARDS & CERTIFICATIONS

- AWS Architecture Certifications 2025
- AWS CloudFoundations Certifications 2025
- Huawei Certification
- Hackathon Finalist 2025
- CodeChum Java Certification 2024
- C Programming Certification 2024

PERSONAL ATTRIBUTES

- **Soft Skills:** Adaptable, respectful, supportive, Flexible, Persevering and ability to multitask
- **Languages**: English, Filipino, Cebuano
